

TEXAS M-L RIFLE ASS'N

At the 11th Annual this year we had more shooters than ever before – 45. Shooting all through the match was a leisurely pace in spite of the large number of contestants and everyone seemed to have plenty of time to visit this year. We were pleased to have our range officer, J. B. Irvin, with us again as he always helps us move along at a steady pace.

We were glad to see that Dr. Duncan made it in spite of his prediction that he might not.

One of the most startling changes from last year was the appearance of the re-inforced group known as the Buffalo Hunters from Lamesa. They are really shooters and they came with the purpose of winning and that's exactly what they did. We will be very interested to see them make an appearance at the Nationals to see how some of our good Texas shooters show up against National shooters. Carl Barrow, the new state champion, is one of these Buffalo Hunters and he bettered the standing record by five points, shooting a 186. Winner of the "Iron Monster" for low score this year was sixteen-year-old Jimmy Leavell of San Angelo. We expect him to keep up the record and turn up next year with some winning scores. Jimmy is a fine lad. A slate of officers was elected containing a few of the old officers and some new faces. Generally, the shoot was a tremendous success. We looking forward to a big Fall Shoot and hope to have some "onusual" prizes since Gwyn Liddell, who made a beautiful buffalo horn trophy for one of the trophies for the annual event, is in charge of securing Fall Shoot prizes.

Match No 1 – 50 yards. 1st, Carl Barrow, 48-2x; 2nd, Ben Dopson, 48-1x; 3rd, Gwyn Liddell, 47-1x.

Match No 2 – 50 yards. 1st, Kenneth Medlock, 48-2x; 2nd, Skinny White, 48-1x; 3rd, Ben Dopson, 48.
