March 2013 Frost on the Cactus Shoot Schedule

President's Column

"Poor, dear, silly Spring, preparing her annual surprise!" – Wallace Stevens.

It's not spring yet but it soon will be, so that means it's time for the start of the 2013 shooting season. First up is the Western Nationals in Phoenix, AZ. We have a pretty good group of shooters who make that trip every year. Good luck to you and bring back a lot of trophies. Next is the "Frost on the Cactus" shoot at Brady. The weather can be either real good or real bad. Last year was a bad one so maybe we will get lucky this time. At the end of March is the "Over the Log" shoot at the Greenwood Longrifles' range at Brazoria, TX. I missed it the last couple of years so I guess it's time to go back. If you've never tried it I guarantee it is the most challenging shooting you can do.

April brings two more shoots. The Shotgun Soiree is put on by the Red River Renegades at Electra, TX. They bring in shooters from about ten states and as far away as California and Georgia. It is shotgun only so don't take your rifles along. Also in April is the State Silhouette Championship at La Coste, TX. It is sponsored by the Alamo Muzzle Loading Gun Club and they do a fine job. They like to see new faces and will give you a big welcome so give it a try this year.

The Renegades do it again in May. The annual Memorial Day shoot is three days for rifle and pistol and is a blast. The primitive match on Sunday is the most fun you can have with a rifle. You shoot playing cards, string, thumbtacks and split a ball on an ax head to break two clay pigeons. It is a great tune-up for Brady in June. Our 5 day State Championship is always a good one. We have our best attendance so we can see friends that don't make it to the other shoots.

August has the Louisiana State shoot. I haven't been to that one but you can ask Andy or Vance about it. I hear it's HOT. September is the time for the National Championship at Friendship. We send a good sized group to that one also. If you go you'll see people you know. I made the trip in '07 and one of these years I'll go again.

We go to Brady again in October for our prize shoot and at the end of the month it's back to Electra for the Turkey Shoot. I have my 2013 shooting season all planned out. I hope to see you soon and I hope to see you often.

Dave

Editor's Column

Hello everyone. I can't believe how fast 2012 went by and I hope that your 2013 has started off great.

If you were unable to make it to the October Shoot, you missed a fun one. We had around 40 registered shooters and a few 50's were put up on the score board along with a bunch of other pretty impressive scores. On the first 2 days of the shoot there was no wind with highs around 90 degrees....nice shootin' weather. Early Saturday morning a cold front blew through and made the rest of the shoot a windy one with temp's in the lower 50's.

Saturday evening was the Beef Stew Feed, followed by the auction and raffle. Congrats to Durrell Haynes on winning the Flint Knife made by Tom Taylor. Thanks to everyone that had a hand in putting the feed together as well as everyone that donated items for the auction.

With the March Frost On The Cactus Shoot just around the corner, please remember that if you can spare a little time and volunteer in the range house or on the firing line, this will free up those folks so they can get some shooting in.

OK. Everyone drive safe and we'll see ya in March.....Kevin
